Dear Fellow Congregants:

**At East End Temple (EET) we have a lot to be grateful for** – and we are especially thankful for our *EET Legacy Circle* congregants. *The EET Legacy Circle* was created to recognize those who have made planned gifts to ensure our Jewish community's future for generations to come.

**As EET enjoys its eighth decade** with strength and vibrancy, it is thanks to the foresight and generosity of those who came before us. We are grateful to them for establishing a spiritual home that cultivates relevant Jewish life through connected community. Now it is our turn to make certain our tradition continues for generations and that EET continues to be a beacon for downtown Jewish life. Please join us.

**As of today, 29 members have already joined *The EET Legacy Circle*** -- members like you who are eager to ensure our Jewish community's future by naming East End Temple as a beneficiary in their estate plans. Planned gifts of all sizes can play a significant role in sustaining our temple. If you have already included EET in your estate plans, as we each have, but have not yet notified us, please complete *The EET Legacy Circle* Declaration Form included in this mailing, or on our website (<https://eastendtemple.org/legacy-circle/>), so that we may thank you properly.

And if you are thinking about including EET in your estate plans, we would love to talk further with you. Please feel free to contact one of us or Rabbi Josh Stanton (JStanton@eastendtemple.org) for a confidential discussion. We are truly grateful for your consideration.

**Act today** to ensure a strong foundation for our community's tomorrow.

*L'Dor V'Dor, From Generation to Generation*
